Dear Scholarship Applicant

We welcome your application for scholarships offered by Bowling Green Technical College. Here are a few things to keep in mind:

- Complete and submit the appropriate scholarship application to the Office of Student Financial Aid by the deadline posted. Incomplete applications will not be considered, so be sure to comply with all requirements indicated on your application.
- Complete the FAFSA (Free Application for Federal Student Aid). Official FAFSA results must be received by the scholarship submission deadline. Apply on line at [www.fafsa.ed.gov](http://www.fafsa.ed.gov).
- Take extra care in writing your "Career Essay" or any writing requested by your scholarship. This is very important because the Scholarship Committee will not be able to ask you questions, but will only receive the information you provide to them on your application and in your letter. Make sure your letter represents you well!
- Give your Recommendation Forms to individuals who know your abilities well. Check back with them to make sure they have submitted the forms for you before the deadline. Recommendation Forms must be returned to the financial aid office. At least two recommendation forms are required for most scholarships, but some require more. In most cases, recommendation letters may be substituted. Additional recommendations may be submitted if you wish.
- Comply with all Admissions Office requests.
- All scholarships awarded by the BGTC Scholarship Committee (made up of college representatives) are final.
- If you are awarded, you will receive a letter from the College. Please respond promptly to the directions in the letter.
- BGTC Scholarship funds may only be used toward charges at Bowling Green Technical College.
- Students who are awarded a scholarship for the academic year are expected to maintain good standing (at least 3.0 GPA unless specific scholarship criteria indicates otherwise) in order to be eligible for the second-semester disbursement.
- Your funds will not be disbursed until the Scholarship Committee confirms that you have written a "Thank You" letter to the donor. Your signature on the scholarship application gives the college permission to release your academic transcript, student file data and financial aid information to your scholarship donor.
- You must re-apply for scholarships every academic year or semester when they are again available.

If you have any questions, please feel free to give us a call. We welcome you as a student and look forward to serving you.
